Update for West Coast Championship.

Dockage. Cabrillo Beach Yacht Club is making their "B" dock available for the Farr 40 fleet and we have assigned individual slips per the attached plan. However due to a prior event at CBYC the docks will not be available until Monday May 25. There is an excellent marina and dry storage very close to CBYC, the Cabrillo Way Marina which has ample slips and trailer storage area for boats wishing to be in the area earlier and sail in the racing area. The dry storage area also has a crane capable of lifting boats from the water to cradles which can be moved and parked if they are equipped with casters. To make arrangements with the Cabrillo Way Marina please contact:

Cabrillo Way Marina
