

2020 Bayview Yacht Club One Design Regatta

Amendment #2

10.5

Sunfish Class

Each competitor shall be a current year member of his/her respective country's Class Association affiliated to the International Sunfish Class Association. United States Sunfish Class Association membership is available at www.sunfishclass.org. Other National Sunfish Class Association (NSCA) membership is available through the sailor's home country NSCA and proof of membership to the OA is mandatory before the event.

Measurement

Boats and equipment must be compliant with current International Sunfish Class Association Class Rules as approved by World Sailing: <http://www.sailing.org/tools/documents/SUN2015CR171214-%5B18151%5D.pdf>. Boats may be selected for remeasurement at any time during the regatta by the USSCA Chief Measurer or an appointed representative.

It is preferred that US Sailing Prescription Appendix V be in force (one turn penalty except in the zone). If this is too hard due to the multiple classes, we can flex on it.
