### **Toronto Race Week 2020 - Postponed to 2021**

In the interest of good health and wellbeing and the City of Toronto's cancellation of public events until July, we have opted to skip the Inaugural Toronto Race Week and proceed to the second annual event to be held in 2021. Get your crew back together and join a racing event where the true winners are the people who have the most fun. Not only will you be reigniting the spirit of racing in our city, you'll be supporting Toronto Area Hospice. Participation is free, so if you have a boat that floats, you're in.

Toronto Race Week — June 22-24 2021

Races around the marks Tuesday and Wednesday evening. Distance race Thursday afternoon. Races scored PHRF. If you don't have a PHRF rating we'll get you one.

New to Sailing? We'll be announcing ways to celebrate Race Week with us, and get your feet wet.

Check back with us periodically for event related announcements.

Please stay safe, healthy and home.
