

AMENDMENT 1

to the

SAILING INSTRUCTIONS

Paragraph 25.1 is changed as follows:

25 RADIO COMMUNICATION and ELECTRONIC EQUIPMENT

- 25.1 All boats must carry a marine band VHF receiver capable of receiving normal international channels. Boats shall report to the Race Committee their retirement from racing via VHF and may use the radio to request assistance in an emergency. **A Boat shall** also report to the Race Committee their intention to protest, and the bow or sail number of the boat they intend to protest. No other transmissions are permitted by competing yachts during each racing day from the first Warning Signal until the end of the last race of the day. This supplements but does not change RRS 2 and 41.

This conforms 25.1 with the requirement in paragraph 17.1
