Hospice Cup, a unique charity regatta, is a cooperative effort of Hospice Cup, Inc, The Sailing Club of the Chesapeake, Storm Trysail Club and Chesapeake Racer Cruiser Association, and multiple hospices serving the Maryland, D.C., and Northern Virginia areas where most racers live and work. The participating hospices benefit from funds raised.

The Race counts for CBYRA High Point, attracting many of the best sailors on the Bay and requiring of racers only that they submit an entry and pay the fee. Non-racers and cruising sailors can enjoy a great day on the water, on spectator boats or in the special Hospice Class B (for novice racers).

Racers can be Sponsors. Racers can be Sponsors. Sponsorship is not required of racers, but by donating or raising money for participating hospices and hospice care, racers earn incentives. The Hank Lawton Trophy for fundraising is presented to the crew that raises the most money before race day, with prizes also for 2nd and 3rd places. Sailors can log onto <https://www.mightycause.com/event/Xmpa2g> to find their team or to create their own fundraising page.

Sponsored trophies are underwritten by multi-year pledges from corporate or individual sponsors.

- **Geri Manning Memorial Trophy** for the crew raising the most money
- **Donnybrook-Brendan Trophy** awarded to the team with the highest percentage of youth crew participation
- **The Hospice Cup** is the top honor awarded for best three-year performance; it qualifies the winner to compete in the annual Hospice Regattas National Championship against representatives of the many other hospice regattas sailed nationwide, each event patterned on this original hospice regatta.

Annapolis Triple Crown Charity Trophy This trophy is a partnership between the Leukemia Cup, CRAB Regatta and Hospice Cup. Racers must participate in each of the three charity regattas AND fundraise. The calculation for the winner shall be the order of finish in each race and the amount of funds raised for each race. The amount of funds raised shall be given a higher multiplier (1.5) in the calculations. The skipper with best score in the three races and highest fundraising will be awarded the Triple Crown of Charity Sailing Trophy in October sponsored by Weems & Plath.
