## 6 MEASUREMENTS

Each boat participating in ORC, PHRF-NE, or Multi-Hull shall produce a valid ORC or PHRF-NE certificate on or before 1730, ~~Monday July 19, 2021 for 'Round-the-Buoys;~~ and ~~Wednesday, July 21, 2021 for 'Round-the-Island~~ Thursday, July 15, 2021. The type of Multi-Hull rating system to be used will be published in a future change to the NOR. All certificates must be valid for the current year.

## 7 SAILING INSTRUCTIONS

Preliminary Sailing Instructions may be available on the Official Notice Board. Final Sailing Instructions will be available on the Official Notice Board no later than 1600, Wednesday July 21, 2021 for 'Round-the-Buoys; and 1600, Friday, July 23, 2021 for 'Round-the-Island.

## 8 VENUE

- 8.1 The 'Round-the-Buoys Races will be sailed in Edgartown Outer Harbor and Nantucket Sound.
- 8.2 The 'Round-the-Island Race will be sailed around the Island of Martha's Vineyard, in Nantucket Sound, the Atlantic Ocean and Vineyard Sound.

## 9 COURSES

- 9.1 The 'Round-the-Buoys courses will be windward/leeward and/or triangles made from government, and/or inflated marks as determined by class and at the discretion of the Race Committee.
- 9.2 The 'Round-the-Island course will be a clockwise circumnavigation of Martha's Vineyard from Edgartown. The distance is approximately 55.0 miles. The approximate course, with virtual gates, will be depicted in an addendum to the Sailing Instructions. This course is a test of seamanship and navigation skills. Competitors are reminded that the course passes adjacent to several shoals and reefs. Caution should be exercised throughout the Race with special attention given in the area east and south of Wasque Point on the southeast corner of Chappaquiddick Island where strong currents have occasionally forced yachts to anchor while awaiting favorable conditions. Use of engines to safely navigate any part of this course will be a RRS 42 infraction and yachts that engage their engines should retire or face disqualification.

## 10 ALTERNATIVE PENALTIES

- 10.1 The scoring penalty, RRS 44.3 will apply for the 'Round-the-Island Race.
- 10.2 ~~A boat on the course side of the starting line at its starting signal in the 'Round-the-Island Race that does not return to the pre-start side of the starting line and properly start will be penalized by an adjustment increasing its corrected time for scoring purposes by 30 minutes. This changes RRS A4.2 and 29.1.~~

Under World Sailing Test Rule 21-01, change the definition *Start* as follows:

**Start** A boat starts when her hull having been entirely on the pre-start side of the starting line, and having complied with rule 30.1 if it applies, any part of her hull crosses the starting line from the pre-start side of the course either

(a) at or after her starting signal, or

(b) during the last 60 seconds before her starting signal.

- 10.3 When a boat starts in accordance with item (b) of the definition *start*, she may return to the pre-start side of the line to comply with item (a), but, if she does not the starting penalty shall be 10 minutes added to her elapsed time.

## **11 SCORING**

- 11.1 The scoring will be ORC, PHRF-NE, and Multi-Hull. Within PHRF, there will be ~~three~~ four divisions: Spinnaker, Non-Spinnaker, Double-Handed Spinnaker, and Double-Handed Non-Spinnaker.
- 11.2 The decision on the scoring method and scoring parameters used will be at the sole discretion of the Race Committee and together with length of course, directions of leg and the wind speed will not be grounds for request for redress by the boat. This changes RRS 60.1(b).

## **12 RADIO COMMUNICATIONS**

- 12.1 Except in an emergency, and except for intra boat communications within the Double-Handed class, a boat shall neither make radio transmissions while racing nor receive radio communications not available to all boats. This restriction also applies to mobile telephones, PDAs and other electronic devices capable of receiving transmissions originating off the boat.
- 12.2 ~~The Edgartown Yacht Club is intending to use a real-time tracking system for the 'Round-the-Island Race. This system will be used in conjunction with the virtual gates on the race course. Detailed information will be provided to the boats in advance of the race.~~ The Race Committee will use AIS and YB Tracking to monitor competitors during 'Round-the-Island for the purposes of safety and race management. All yachts with AIS will be required to provide their AIS identifier number on their registration and transmit throughout the race. Yachts without AIS will be required to carry a YB Tracking transponder that will be loaned by the race organizers. A refundable damage/loss deposit by check or credit card number, will be required for all yachts that will be using YB Tracking hardware.
- 12.3 Radio communications between competitors and the Race Committee will be on VHF Channel 72, with the exception of check-in for 'Round-the-Island on VHF Channel 73.
