6 Scoring

6.1 The Low-Point Scoring System in RRS Appendix A will apply, except that Rule A2 is changed to exclude the worst scores for each boat for all races in excess of 60% of the total number of races in the series. At least one race must be completed to constitute the Series.

6.2 YRA of LIS, PHRF "time on time" scoring procedure will be used. $TCF = 650 / (550 + PHRF)$

6.3 For the purpose of calculating 60% of the total 18 races will be multiplied by 0.6 and rounded upward.

6.4 A boat serving as Race Committee will be scored as having competed in that race and will be assigned a score equal to her average for **all** races **sailed** during the season (i.e., if a boat sailed in 15 races, the average score for all 15 races will be used as the position for the week they performed R/C). If a boat does not perform her R/C duties, or find a replacement to perform R/C, on the date posted on the regatta website, that boat shall be disqualified for that series. The organizing authority shall be notified of any arrangements for replacements.

7 Trophies

7.1 The first, second, and third place winners of the Series in each Division will be awarded. The Overall FYC boat winner (Best overall score for Spinnaker and Non-Spinnaker) will be awarded the Tom Bobbin Perpetual "Best Overall Performance – Black Rock Harbor Wednesday Night series" award.

7.2 To be eligible for trophies, a boat must submit a current 2022, PHRF certificate issued by the YRA of LIS, no later than May 12, 2021.
