

2015 VIPER 640 NORTH AMERICAN CHAMPIONSHIP
AMENDMENT #3
TO THE SAILING INSTRUCTIONS

10 RECALLS

Yesterday the race committee mistakenly announced a bow number as a sail number and this resulted in one boat misunderstanding that it had been recalled.

To prevent this from happening again, we will announce which ever number we have seen but we will not identify it as a bow or sail number.

Each boat racing has a unique bow number and a unique sail number and it is up to each competitor to listen for either of your numbers (bow or sail) and react accordingly if you hear it.
