

85th Annual Falcon Cup Race

26th Annual Sundance Trophy Race

Saturday, August 13th, 2022

FALCON TRIVIA

Don't forget to catch your bag of ice in the channel after the race. Legend has it, the originators of the Falcon Cup were out of ice for their drinks by the end of the race (there were no refrigerators or boat coolers back then) and demanded more ice on the way in. The tradition lives on!

FALCON CUP RACE

Course is from the Cleveland Yachting Club to the Mentor Harbor Yachting Club on August 13th, 2022.

REQUIREMENTS / ELIGIBILITY

Falcon Cup Race

The Falcon Cup, which was donated by the late Commodore R. A. Bostwick, has been raced between Rocky River (Cleveland Yachting Club) and Mentor (Mentor Harbor Yachting Club) since 1938.

The race for the Falcon Trophy is open to single hulled cruising auxiliary sailboats with a minimum of 6,000 lbs. displacement and measuring no less than 25 feet overall. The boats must have a permanently mounted inboard engine with a shaft and propeller, be outfitted with bunks, stove and a head.

Converted racing boats are specifically barred from entering. The committee reserves the right to refuse entry to any boat not within the spirit of the race; any boat which the committee deems unseaworthy; any boat without a current PHRF certificate; or any boat not entered from an Inter-Lake Yachting Association member yacht club.

Sundance Trophy Race

The Sundance Trophy Race will be sailed concurrently with the Falcon Cup Race. It is open to boats which do not meet one or more of the criteria established for the Falcon Cup Race. Entrants must be members of an Inter-Lake Yachting Association yacht club and have a current PHRF certificate to be scored. The organizing authority may assign ratings that shall be valid for this event only and are not subject to redress.

TROPHIES

Awards will be given for first, second and third place winners in each division. In addition, an award will be given to the first boat to finish. The Falcon Cup will be awarded to the winner of the Falcon Cup Race, inscribed accordingly, but retained at the Mentor Harbor Yachting Club. A keeper trophy and a flag will be presented to the winner. The Sundance Trophy, donated by the late Ron Fetterman, and rededicated in 1996 in his memory, will be awarded the winner of the Sundance Race, inscribed accordingly, but retained at the Mentor Harbor Yachting Club. A keeper trophy and a flag will be presented to the winner.
