

Eastern Yacht Club
2022 Star World Championship
September 8 - 17, 2022

Amendment Number 5 to the **Notice of Race:**

In Section 18.1 add “or TC” after “RC,” to conform the document to agree with SI 27.1, so that the section reads:

- 18.1 Boats shall not be hauled out during the regatta except with and according to the terms of prior written permission of the RC or TC.

Amendment Number 1 to the document **Star Worlds – Logistical Information:**

In the Section “**Boats Remain in the Water through Regatta**” the worlds “Organizing Authority” are replaced by “Race Committee or Technical Committee” to conform the document to agree with NOR 18.1, as amended above, and SI 27.1, so that the section reads:

Boats Remain in Water through Regatta: As you know from the NOR, the boats are required to be in the water for the entire course of the regatta. Any exceptions (such as early departure or emergency hull repair) need to be pre-approved by the Race Committee or Technical Committee. Please contact one of us onshore to discuss any such request; as noted, we need to have a licensed user operate the crane so some lead time will be needed to get the crane staffed.

Approved: _____
Stephen B. Jeffries, Cochairman, Organizing Authority
