Amendment 3 to the Sailing Instructions

78A is replaced by 72 wherever it appears in the Sailing Instructions

3.3 On the water, the Race Committee intends to monitor and communicate with competitors and Support Persons via VHF radio on Channel **72**.

12.6 In the event of an individual recall, the bow or sail numbers of any boat or boats that are identified as OCS may be announced on VHF Channel **72**. Failure of a boat to see or hear her recall notification, and/or the timing, and/or order of such hails, and/or the length of time it takes to make notification(s) on the VHF, will not be grounds for redress. This changes RRS 29.1 and 60.1(b) and NOR 3.4.

13.2 [NP] In addition to signaling the change from a RC service/mark boat, the RC may announce the change on VHF US Channel **72** as boats approach the RC service/mark boat signaling the change.

24.1 [DP] Coach boats, support boats and private spectator boats are expected to monitor VHF Channel **72** and to render assistance to a boat in danger when requested by the boat, or at the request of the RC or Jury. See RRS 37.

24.3 [NP] [DP] Coach and support boats associated with a competitor shall register during registration, see SI 7. Identification flags will be issued to each boat and all such boats shall display the flag while afloat and monitor VHF Channel **72**.

Attachment Foxtrot

1.1 In ALL Emergencies on the water the Race Committee is to be notified on VHF Channel **72**. The PRO of the Race Committee will be in command of all emergency responses.

Approved:

Thomas P. Duggan, Principal Race Officer
