15. RISK STATEMENT AND DISCLAIMER OF LIABILITY

- 15.1.** The safety of a boat and her crew is the exclusive and inescapable responsibility of the Person-in-Charge (RRS 46), who must assure that the boat is fully sound, thoroughly seaworthy, and manned by experienced crew who are physically fit. The skipper of a boat must be satisfied as to the soundness of the hull, spars, rigging, sails, and all gear. He/she must assure that all equipment is properly maintained and stowed and that the crew knows where it is kept and how it is to be used. Neither the establishment of equipment regulations nor any inspecting of a boat in any way limits or reduces the complete and unlimited responsibility of a boat's Person-in-Charge. It is the sole and exclusive responsibility of the Person-in-Charge and crew of a boat to decide whether or not to start or continue a race.
- 15.2.** Competitors participate in these races entirely at their own risk. RRS 3 states: 'The responsibility for a boat's decision to participate in a race or to continue to race is hers alone.' By participating in this event each competitor agrees and acknowledges that sailing is a potentially dangerous activity with inherent risks. These risks include strong winds and rough seas, sudden changes in weather, failure of equipment, boat handling errors, poor seamanship by other boats, loss of balance on an unstable platform and fatigue resulting in increased risk of injury. Inherent in the sport of sailing is the risk of permanent, catastrophic injury or death by drowning, trauma, hypothermia or other causes.
- 15.3.** The Organizing Authority, its members or any committee shall not be liable for any injury or damage whatsoever to persons or property—whether caused by or resulting from their act, omission or alleged negligence, or from weather or sea conditions, hazards of any kind, defects or failure of boats to be seaworthy in hull, rigging or gear, or any acts, omissions or alleged negligence of other participants which may occur during or arising out of or in connection with any part of the Trans Superior Race or any activity sponsored or aided in whole or in part by the Organizing Authority. Notice is hereby given to all participants (including crew, spectators, officials, and others) that they participate in any activity solely at their own risk. Skippers of participating boats are required to notify all crew members of this limitation of liability as a Condition of Entry.
