2023 Huron Double Handed Challenge

Notice and Conditions of Race

1. Philosophy of the Challenge

The Huron Double Handed Challenge is an opportunity to participate in a challenge for double handed yachts (those sailed with two persons on board) to navigate the waters of Lake Huron. Crews range from husband and wife, to parent and child, to best friends, to hardcore racers.

The aim of the Challenge is to encourage the development of safe and swift offshore passage-making capability with limited crew..

a. 2. Management

Sarnia Yacht Club and MORC stn. 26 is the organizing authority of the 2023 Huron Double Handed Challenge (*Challenge*) and has appointed the MORC stn 26 Race Committee (*Race Committee*) to conduct the Challenge and related activities. The Race Committee has the authority to interpret the rules and conditions of the race and, subject to RRS 76.1, to reject the entry of any boat at any time before the start of the Challenge. The Challenge will start on June 26. PHRF ratings and other factors will be used to select divisions at the discretion of the Race Committee.

The Challenge is managed with the support of Sarnia Yacht Club, MORC stn 26.

b. 3. Rules

The Challenge shall be governed by the “rules” as defined in the current Racing Rules of Sailing 2021-2024 (RRS), Canadian prescriptions, except as modified by the Sailing Instructions.

c. 4. Responsibilities of Skipper and Crew

Sailing is an activity that has an inherent risk of damage and injury. Competitors in this event are participating entirely at their own risk. See RRS 3, Decision to Race. The Challenge organizers (Sarnia Yacht Club/ MORC stn 26, host clubs, sponsors, or any other organization or official) will not be responsible for damage to any boat or other property or the injury to any competitor, including death, sustained as a result of participation in this event. By participating in this event, each competitor agrees to release the race organizers from any and all liability, to the fullest extent permitted by law.

The safety of a boat and its crew is the sole and inescapable responsibility of the Skipper, who must assure that the boat is fully sound, thoroughly seaworthy and sailed by an experienced crew who have undergone appropriate training and are physically fit to face bad weather. The Skipper must be satisfied with the soundness of the hull, spars, rigging, sails and all gear. The Skipper must assure that all safety equipment is properly maintained and stowed and that the crew knows

where it is kept and how to use it. Neither the acceptance of an entry, the establishment of equipment or safety requirements nor an inspection of a boat in any way limits or reduces the complete and unlimited responsibility of the Skipper.

d. 5. Crew / Boat Eligibility

The Challenge is open to any monohull yacht with a fixed keel or keel/centerboard and permanent cruising accommodations, or multihull yachts with permanent cruising accommodations. Cruising accommodations consist of a marine toilet legal for the Great Lakes waters, a permanently installed bunk, and a galley facility. Modifications from stock design, such as changes to rig dimensions, standing rigging, displacement, ballast, or keel, rudder and hull configuration, shall be identified to the Challenge Committee unless included on a PHRF handicap rating certificate for the yacht.

The minimum length is 27 feet. Yachts not within this parameter may be considered for acceptance into the Challenge by the Challenge Committee.

It is not SYC/ MORC stn 26 desire to exclude yachts solely on the grounds of unconventional design, but persons contemplating entering an extreme type or design would be well advised to give particulars of the yacht at an early stage to avoid later disappointment.

Each skipper must have at least 1,000 nautical miles sailing experience as a skipper and must have made one non-stop passage of at least 100 miles under sail, requiring a passage time of not less than 24 hours.

e. 6. Structure of the Sailing Divisions

Depending on the number of participants, a division may be created for monohull yachts to compete without time allowances as practical, on a boat for boat basis on the course. The remaining boats will be in divisions that will compete based upon PHRF ratings. Multihull yachts with a valid PHRF certificate will compete within one division using the PHRF rating system.

7. Entry

k. 10. Inspection

Each competing skipper is responsible for assuring that the boat meets the requirements of the Required Equipment List. However, as a courtesy *and without relieving the Skipper of responsibility*, the Inspection Committee will be available for consultation before the Race. Such consultations may be arranged through the Race Committee by submitting an email to lakehurondh@gmail.com or by contacting a member of the Race Committee.

The Inspection Committee reserves the right to inspect and boat immediately after finishing the Challenge at Rogers City. Boats not in compliance with the Required Equipment List or hindering the inspection process will be subject to protest by the Race Committee.

l. 11. Sailing Instructions

Sailing Instructions will be available on the Yachtscoring.com website. A hard copy of the Sailing Instructions will be distributed to each skipper at the skippers meeting on Friday, June 23, 2023 at the Sarnia Yacht Club.

m. 12. Communications While Racing

- a. A regular VHF radio schedule will be maintained. Participants are required to attempt to make radio contact with other participants on VHF channel 72 at 0800, 1400, 2000 and 0200 hours during the event, and to exchange and log time, date and location.
- b. RRS 41(c) - Outside Help is changed to read as follows: Help in the form of information freely available to all boats and any publicly offered internet or broadcast weather information from sources available to all competitors, whether on a subscription or free basis. Allowable services must provide the same information to all competitors and not provide boat-specific weather or routing information. Competitors may use any means to retrieve the data. Accessing other information during the race will be considered a violation of RRS 41.

n. 13. Environmental Controls

The laws of Michigan and Ontario prohibit any through-hull fittings that may be used to pump toilets or holding tanks overboard. The Race Committee will not inspect for compliance, but governmental officials may do so.

o. 14. Website and Email

The Race Committee will post information on the official Huron Doublehanded Challenge website at Yachtscoring.com, competitors will be deemed to have knowledge of such information from the time it is so posted. The posted information may include assigned ratings, and amendments to the Notice of Race and/or the Sailing Instructions. Accordingly, competitors are encouraged strongly

to check the website regularly. Notices to competitors also will be posted on the Official Notice Board(s) as provided in the Sailing Instructions. Email for this event is lakehurondh@gmail.com.

Competitors are required to supply a working email address and cell phone on the Entry Form as a condition to entry in the Race. The Race Committee will attempt (but not be obligated) to notify each competitor of amendments to the Notice of Race and/or the Sailing Instructions by email to the address so supplied.

p. 15. Photography

For and in consideration of participation in the Challenge, each competitor agrees to extend to the SYC/ MORC stn 26 the right to reproduce and use for any purpose, at their sole discretion, any photographs, drawings and other pictorial representations of the boat and crew.
