

City Island Yacht Club  
**2023 Women Skippers Race**  
Saturday, August 12th, 2023

***SECOND AMENDMENT 8/12/23***

**DELAYED START**

A front, including thunder and lightning, is forecasted to come through at approximately 3 pm. It is anticipated to be a swift-moving front and therefore may delay the race start by approximately 30 minutes. Any such race delay will be called from land. Any racers requiring a guest mooring for the possible delay are requested to contact the club to make those arrangements. You can reach the waterfront on Channel 72 or the regatta chair Steven Landy at (914)715-7598.

Please monitor **Channel 72** for further instructions.
