Sample course board: showing compass bearing 135, distance 1.5 nm to the windward mark, 6 legs for class I, 4 legs for classes II & III, 2 legs for class IV

| Mag. Bearing | Dist. | Classes | Legs |
|--------------|-------|---------|------|
| 1 | 1.5 | I | 6 |
| 3 | | II | 4 |
| 5 | | IV | 2 |

If the course is the same for the succeeding class or classes, their course is the same as the preceding class.

- 8.2 Course will be Windward/Leeward and may include an offset at the windward mark as shown in the course diagram. Offset mark will be a round inflatable ball. Inclusion of an offset mark will be announced prior to the warning signal. Other marks will be orange or yellow tetrahedrons.
- 8.3 Flag G displayed prior to the warning signal means there will be a leeward gate. The gate marks will be matching and different in color than the start and finish. In the event that the gate is not in place or there is not an object displaying Flag M, the single leeward mark shall be rounded to port.

Marks will be passed in the order signaled. When the course to the next mark is other than a reciprocal course, the mark shall be left so that the rhumb line course to the next mark will not cross the rhumb line course from the previous mark; when the course to the next mark is a reciprocal course, the mark shall be left to port. One course will be signaled if all the Class(es) are to sail the same course. If different courses are to be sailed, roman numeral placards will identify the course for each Class. A Class whose placard is not displayed shall sail the same course as the previous Class displayed

9 THE START

Failure to hail her number, failure of her to hear such a hail, or the order in which boats are hailed will not be grounds for a redress for request. This changes RRS 62.1(a).
