

## DYC OTD Sailing Instructions – Amendment 3

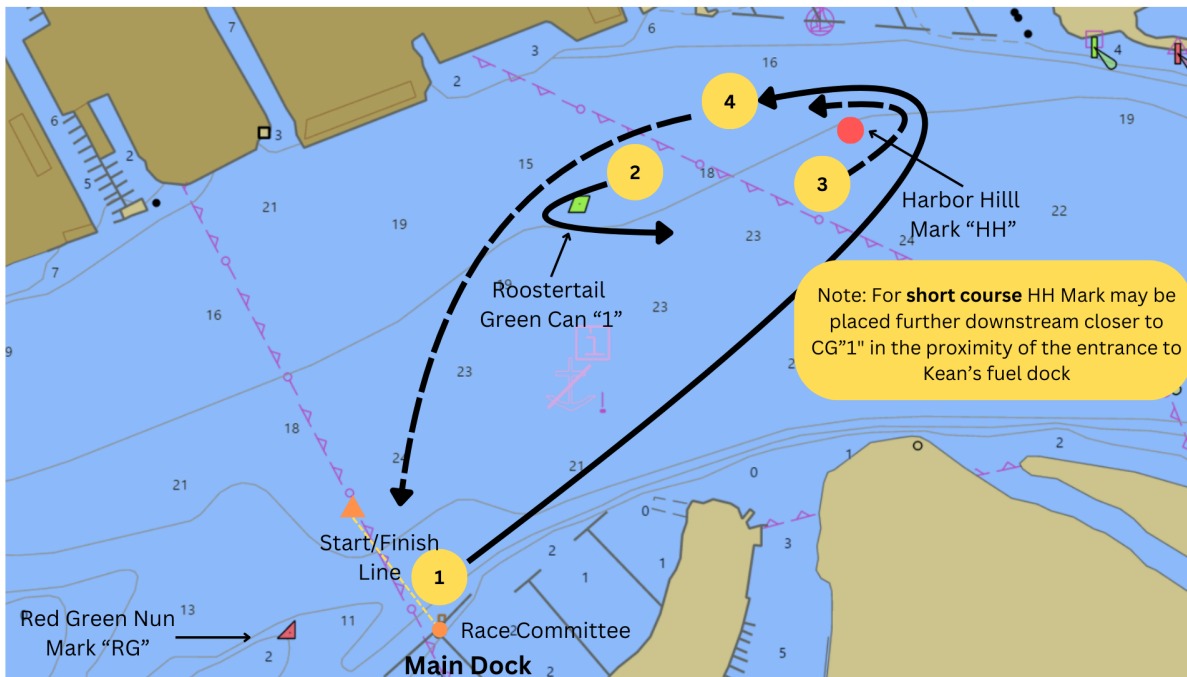

### Class 4 (Flying Scot) Short Course - (4S)

The course description for Class 4 Short Course (4S) is amended to state that Race Committee, at their discretion and without additional notice, may locate HH Mark further downstream closer to CG"1" in the proximity of the entrance to Kean's fuel dock, but still upstream of CG"1". This change will further shorten the overall course length. This change does not impact the number or sequence of marks to be rounded.

### Revised Class 4 Short Course (4S) illustration:

#### Class 4 Short Course (4S) :

Taking all marks to port, **(1)** head from the Starting Line to the Harbor Hill Mark ("HH"), **(2)** proceed to the Green Buoy CG"1" (Roostertail Mark) near the Roostertail, **(3)** head back to the Harbor Hill Mark ("HH"), **(4)** round Green Buoy CG"1" (Roostertail Mark) to port and proceed to the Finish Line, crossing in the opposite direction as the start (downstream). Approximate distance 1.54 miles (2.49km)

Instructions amended August 7 to give RC latitude to shorten distance to HH mark without need for any other specification
