CLASS/ENTRY LIST

TCF, TOT AND TROPHIES

Results from the Off Soundings Spring and Fall Series are counted toward awards for Off Soundings and ECSA. Combined results for each Series determine OSC trophies for the top finishers. Each race also counts toward points for the ECSA Offshore Championship and, for Off Soundings members, One and Two Year Perpetual Trophies.

Results are based on the Time on Time system, utilizing the amount of time sailed in a race rather than the fixed distance, to calculate Corrected Time (CT). Central to calculating results is the TCF or Time Correction Factor. The Elapsed Time (ET) of each boat is multiplied by her TCF. The Off Soundings formula for creating the TCF is: $TCF = 600 / (480 + PHRF)$.

OSC then factors in the Burden of Winning (BOW) earned by boats that finished among the top 3 in class in previous series. These penalties are 15%, 10% and 5% and are cumulative for each series you finish in the top 3 to a maximum penalty of 45%. The penalties are applied to the TCF formula as follows:
 $TCF = (600 / (480 + (PHRF - (2 * BOW) * .8)))$

Effectively, a top 3 finish results in a BOW of 8 seconds per 5% of penalty to a maximum of 72 seconds. BOW expire after 3 series.

In the Class / Entry List following, you will see the boat names and owners with the BOW, PHRF handicap and TCF calculated with BOW. The displayed handicap rating is the one used to calculate Corrected Time for this series.

When ECSA and OSC Perpetual Trophies results are calculated, the TCF without BOW is used, which may change the results. Results for the series are posted directly on the Events Page of Yachtscoreing. Results for ECSA will be displayed under Forms & Documents.

Please refer to the Events Page often to check the Notice Board and other information that pertains to the Fall Series.
