NOTICE of RACE

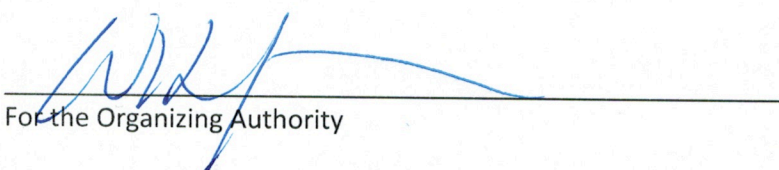

Amendment Number 1.

Section 4. ELIGIBILITY

Add sub-section 4.7 as follows:

"4.7. If a competitor wishes to change the CRF Mk II rating submitted to the Organizing Authority (OA) as part of the original registration process, a request shall be made to the OA prior to 0930 on Friday August 25, 2017. Any challenge to a rating posted on the preliminary scratch sheet shall be made to the OA by 1000 on Friday August 25, 2017."

Unofficial explanation: Competitors wishing to change from a spinnaker to non-spinnaker category or from non-spinnaker to a spinnaker category must comply with the 0930 deadline. Any competitor wishing to challenge another competitor's rating must comply with the 1000 deadline. The reason for this is so that the OA can reissue the corrected scratch sheet and all competitors will know all of the correct rating values before the start of the race.
