- 7.2. RRS A9 is in effect.
- 7.3. When three or more events in the series have been completed, a boat's series score will be the total of her three lowest event scores (excluding her worst score if more than 3 events are sailed). This modifies RRS A2.
- 7.4. The winner of the Cup will be based on the total score of all events using the low point system. A participant's finish in each event regatta will be based on the low point system, using fleet finish position to score the series or race. Entrants sailing different course lengths shall have their corrected time adjusted to reflect differences in course length. Ties will be scored with accordance with RRS A8.2.
- 7.5. The winner of the Cup will be based on the top 3 scores from the 4 events per Appendix A using the low point system.
