8 THE COURSES

8.1 The diagrams in Illustration B illustrate the courses, including the approximate angle between legs, the order in which the marks are to be passed and side on which a mark is to be left.

8.2 Numeral pennants will be displayed to signify the specific course.

8.3 The race committee will broadcast the course, bearing and distance information before the warning signal. Failure to broadcast or to receive this notification shall not constitute grounds for granting redress. This changes RRS 62.1(a).

8.4 If one of the leeward gate marks is missing and not replaced by a mark boat in its place displaying flag "M" and making repetitive sounds, boats shall sail around the existing leeward mark leaving it to port.

9 MARKS

10.1 Before the first warning signal of each day, all boats shall sail past the stern of the signal vessel on starboard tack and check in by hailing their bow number. They shall continue to do so until their bow number is verbally acknowledged by the race committee.

10.2 Boats failing to check in accordance with 10.1 will be given a scoring penalty equal to 20% calculated as stated in rule 44.3(c). (This changes RRS A5). This will apply to each boat's first race of the day.

11 THE START

11.1 Races will be started by using RRS 26.

11.2 The starting line will be between the staffs displaying orange flags on the starting marks. In the event that the port end mark vessel is not on station, it will be replaced by an inflatable mark. The course side of the inflatable mark will define the line.

11.2.1 (Circle 4 ONLY) The starting line for the J/22 class may be shorter than the J/24 starting line. If the starting line is shorter, the line will be between a staff displaying an orange flag on the signal vessel and the course side of an inflatable mark.

11.3 Boats whose warning signal has not been made shall avoid the starting area during the starting sequence for other races. The starting area is defined as 100 yards in all directions from the starting line.

12.3 Failure of the RC to make a broadcast or to time it accurately or the order of boat(s) hailed will not be grounds for granting redress.

This changes RRS 62.1(a).

13 CHANGE OF COURSE BEFORE THE START

13.1 If there is a significant wind shift before a preparatory signal, the race committee may signal a change of course for classes/fleets not yet started.

13.2 At the preparatory signal, flag "C" will be displayed on the signal vessel with repetitive sound signals and will remain displayed until the preparatory signal is lowered. The first mark will be the new/change mark. The bearing to the mark will be posted and announced over the designated VHF channel.

14 CHANGE OF THE NEXT LEG OF THE COURSE

14.1 To change the next leg of the course, the race committee will lay a new mark (or move the finishing line) and remove the original mark as soon as practical. When in a subsequent change a new mark is replaced, it will be replaced by an original mark.

14.2 Except at a gate, boats shall pass between the race committee vessel signaling change of the next leg and the nearby mark, leaving the mark to port and the race committee vessel to starboard. This changes RRS 28.

14.3 A signal board for the classes/fleets for which the change of course applies will be displayed along with flag "C." If no classes/fleets are displayed on a signal board, the change applies to all classes. This changes RRS Race Signals.

14.4 The race committee will adjust the angle of a gate without making any signals.

14.5 The race committee will attempt to broadcast any course changes over the designated VHF channel. Failure of a boat to hear such notification or failure to broadcast will not be grounds for granting redress. This changes RRS 62.1.

14.6 A course change for the final leg of a race will be signaled by a race committee vessel in the vicinity of the last rounding mark(s). It will display code flag "C" over "Q" and a signal board with the direction and/or leg length change to the finish line and make repetitive sounds. This signal (C over Q) applies only to the boats sailing their final (finishing) leg. The change will be signaled before the leading boat of a class/fleet has begun the leg, although the finish line may not yet be in position. This changes RRS Race Signals.

15 THE FINISH

15.1 For windward finishes, the finishing line will be between a staff displaying a checkered flag on the finish vessel and a staff displaying a checkered flag on the nearby finish vessel.

15.2 For downwind finishes, the finish will be on the opposite side of the signal vessel from the starting line between a staff displaying a checkered flag on signal vessel and a staff displaying a checkered flag on a nearby finish vessel.
