

## 2018 J/22 World Championship September 9-14, 2018

### Amendment #3 to the NOTICE OF RACE

#### NoR 1.4 is added:

- 1.4 [DP] From 1000 on Sunday, September 9 until end of the regatta, no appliances or devices (including but limited to dehumidifiers) that require plugging in to external electrical power shall be used aboard a boat, whether the boat is ashore or afloat, except for handheld tools needed for repair or maintenance, or according to the terms of prior written permission of the technical committee.

*[Reason: The yard at AYC is not equipped to handle multiple power cords to power devices such as dehumidifiers. In order to maintain a safe environment, we are banning use of such devices during the event.]*
