SAILING INSTRUCTIONS

1 RULES

1.1 This race will be governed by The Racing Rules of Sailing 2009-2012 (RRS), the prescriptions of US Sailing (USS); the current IRC regulations as administered by the US-IRC; the current PHRF regulations as administered by the Yacht Racing Association of Long Island Sound (YRALIS); the Minimum Equipment and Safety Recommendations of the YRALIS; the rules of any fleet racing as a level or one design Division; (except as any of these altered by the Notice of Race or these Sailing Instructions); the Notice of Race; and these Sailing Instructions.

1.2 Boats shall observe the Minimum Equipment and Safety Recommendations of the YRALIS, Race Category B.

1.3 In accordance with RRS 86, from sunset to sunrise the following shall be in effect (modifying RRS 11 and 17):

When two boats are on the same tack and overlapped and within three overall lengths (of the longer boat) of each other, the boat being overtaken shall maintain her proper course. Both boats shall keep clear, and neither boat shall bear away toward or luff the other.

2 ENTRIES and DIVISIONS

2.1 Eligible boats may be entered by completing the registration procedures described in the Notice of Race. Boats must be enrolled in the YRALIS or other USS association. The Race Committee reserves the right to reject any entry.

2.2 Boats will be placed in separate racing Divisions, Division 1, 2, 3, etc., at the discretion of the Race Committee. A Scratch Sheet showing Division numbers, course assignments, and individual ratings will be available on www.yachtscoring.com, the Riverside Yacht Club web site (www.Riversideyc.org), and at the Riverside Yacht Club by June 29, 2012. Scratch Sheets will also be available from the Race Committee in the starting area.

2.3 Boats shall race in their assigned Division as specified on the Scratch Sheet. Division Flags for starting purposes shall be the numeral pennant corresponding to its Division number. Each boat shall conspicuously display from its backstay the numeral pennant corresponding to its Division number; in the case of unstayed masts from the stern pulpit.

3 NOTICES

Notices, including notices which may amend these Sailing Instructions and the Scratch Sheet, shall be posted on www.yachtscoring.com, the Riverside Yacht Club web site (www.Riversideyc.org) and/or the Official Notice Board at the head of the RYC pier leading to the docks prior to 0900 on the day of the race. Notices and any amendments may also be broadcast on VHF Channel 72 at 1040 hours.

4 STARTING TIME

The first warning signal will be at 1055 hours.

5 CHECK-IN

Prior to the first warning signal each boat is requested to pass by the Race Committee Signal Boat within hailing distance, check in and receive acknowledgement.

6 STARTING LINE

The starting line will be between the staff displaying a yellow flag on the Race Committee Signal Boat and Red Nun "2" off Flat Neck Point.

7 COURSES

7.1 COURSE I. STRATFORD SHOAL LIGHT COURSE: Stratford Shoal Light (to port), then to the finish. The distance for the Stratford Shoal Light Course is 45.5 miles. See Instruction 12.

7.2 COURSE II. CABLE & ANCHOR COURSE: Cable & Anchor Bell "28C" Fl Red 4 sec. (to starboard), Bell "21" Fl Green 4 sec. off Matinicock Point (to starboard), Bell "32A" Fl Red 2.5 sec. Mid-Sound (to port); then to the finish. The distance for the Cable & Anchor Course is 28.5 miles. See Instruction 12.

8 THE START

Starting Signals will be in accordance with RRS 26.

Time	Visual Signal	Sound Signal	Meaning
1055	Numeral Pennant 1	GUN	WARNING SIGNAL – DIVISION 1
1056	Flag "P"	GUN	PREPARATORY
1059	Flag "P" removed	HORN	ONE MINUTE
1100	Numeral Pennant 1 removed	GUN	START DIVISION 1

The warning signal for each succeeding Division shall be made WITH or AFTER the starting signal of the preceding Division. If the warning signal for a succeeding Division is made AFTER the starting signal of the preceding Division, the Signal Boat may make a series of short sound signals (horn) one minute before beginning the starting sequence.

Boats whose warning signal has not been made shall keep clear of the starting area and of all boats whose warning signal has been made.

9 LIMIT MARK

A limit mark may be placed astern of Race Committee Signal Boat. In this case, the mark shall be a mark of the course and be treated as though it is part of the Race Committee Signal Boat. Touching it or passing between it and the Race Committee Signal Boat shall incur the same penalty as though the infringing boat had touched any other mark of the course while racing.

10 INDIVIDUAL RECALL

The Race Committee will attempt to call any OCS boat(s) on VHF Channel 72. Failure to hear a radio call does not relieve a boat of responsibility to start correctly, and shall not be grounds for redress.

A boat crossing the starting line five minutes or less before her starting signal and not restarting, will have 30 minutes added to her elapsed time. This modifies RRS "A". A boat crossing the starting line more than five minutes before her starting signal and not restarting shall be scored "Did Not Start."

11 WITHDRAWAL

Any boat withdrawing before the start or during the race for any reason, shall notify the Race Committee on Channel 72, or by calling Riverside Yacht Club by telephone (203) 637-1706 between 0900 and 1200 on Sunday, July 1, 2012.

12 FINISH LINE

The finish line will be between a staff displaying a yellow flag on a Race Committee Boat and Green Bell "1" East of Little Captain Island. The Race Committee Boat will lie south of the bell. The bell is to be left to starboard and the Race Committee Boat to port. At night the Race Committee Boat will be distinguished by a 360° white masthead light. Boats are requested to hail the Race Committee Boat on VHF Channel 72 as they pass Nun "34" providing their sail number and boat name. Boats are also requested to shine bright lights on the sail numbers on the mainsail beginning approximately one minute before crossing the finish line until the yacht's finish has been acknowledged by the Race Committee. After finishing, yachts will come within hail of the Committee Boat and confirm their finish. In fog, the Race Committee Boat will sound her horn for two 5-second blasts every 2 minutes. In the event the Race Committee Boat is not on station, a finishing boat shall take her own time. This time should be taken when the finishing boat is within 20 yards of Green Bell "1" and it bears 360°. This time should be reported to RYC between 0900 and 1200 Sunday, July 1, 2012.

13 TIME LIMIT

The time limit for boats to finish in each Division is fourteen hours after the start signal for her Division. Any boat failing to finish within the time limit shall be recorded as Time Limit Expired ("TLE"), and shall be scored two more places than the last boat to finish in her Division, except she will not be scored worse than DNF. This modifies RRS 35 and RRS A.

14 PROTESTS

14.1 RRS 61.1 is modified to require that a protest flag shall be flown from the backstay (in the case of unstayed masts, from the stern pulpit). RRS 61.1 is further modified to require that protesting boats inform the Race Committee at the finish of their intent to protest including the sail # of the protested boat. If the Race Committee Boat is not on station at the finish, this information should be reported to RYC along with the finish time. A boat that thinks she has been protested may contact RYC after 1800 hours on Sunday, July 1, 2012, to confirm the protest.

14.2 Protests shall be written and must be delivered to the Riverside Yacht Club no later than 1700 hours on Sunday, July 1, 2012. US Sailing protest forms are available at the front desk of the Riverside Yacht Club.

14.3 Protests involving only two parties and an alleged breach of RRS Part 2 (When Boats Meet) shall be arbitrated in accordance with the Procedures and Guidelines for Protest Arbitration. The Arbitration Penalty shall be 40% of the number of boats in the division starting the race (rounding 0.5 upward) added to the finishing position of the boat accepting the penalty, but that boat will not be scored worse than DNF. Copies of these procedures will be available at the front desk of the Riverside Yacht Club.

14.4 Protests will be heard at Riverside Yacht Club on Wednesday, July 11, 2012 at 2000 hours.

15 PENALTIES

From sunset to sunrise, the Scoring Penalty, RRS 44.3, will apply (20%). RRS 44.3 is modified to require that the flag be conspicuously displayed from the backstay (in the case of unstayed masts, from the stern pulpit). Code Flag "I" may be substituted.

16 SCORING

Low Point Scoring System, RRS A4 will apply. IRC Time Allowances will be calculated using the IRC Handicaps (as assigned by US-IRC) and each boat's elapsed time as determined by the Race Committee. PHRF divisions will be scored using PHRF Handicaps (as assigned by YRALIS) and the course distances as determined by the Race Committee.

17 RADIO USE

VHF Channel 72 will be used by the Race Committee for communications with the Fleet. The Race Committee is under no obligation to acknowledge or answer any radio communication by a contestant except for acknowledging withdrawals, protests, or scoring penalty calls.

18 TROPHIES & PRIZES

First, second and third place prizes will be awarded for each Division. The RYC STRATFORD SHOAL Trophies will be presented at the Riverside Yacht Club annual awards dinner on November 2, 2012.
