

Quantum Key West 2013

Notice of Race

AMENDMENT #1

Delete and replace NOR 6.4.3

6.4.3 Weight Limits and Handicapping Procedures

6.4.3.1 The maximum total crew weight shall be printed on the HPR certificate. For Quantum Key West 2013, crew weight shall be declared by each team by 12 January 2013 for purposes of rating calculation. All crews shall be weighed prior to the start of racing and total crew weight may not exceed the maximum listed on the boat's HPR certificate. All crew registered for racing at weigh-in shall race the entire event unless given express permission by the Race Chairman. At any time crew weight may be verified by the organizing authority. If the actual crew weight exceeds the maximum specified at weigh-in, the boat shall be given a 50% scoring penalty for each race sailed since the previous weigh in.

6.4.3.2 All HPR entries will have their crew weighed and registered during the weigh-in periods offered by the Quantum Key West 2013 Organizing Authority.

6.4.3.3 All rating information for HPR Class entries shall be submitted to the HPR Rule authority by January 12, 2013 so that official certificates may be issued prior to the event. The v4 HPR rule calculator is available at www.hprsailing.org.
